

Philosophy	
At Tiny Stars “where every child shines” our family orientated practices and values are inspired by virtues described in the Bible from Galatians 5:22-23. These virtues are; <i>love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.</i>	
Values	What we practice
Love	Inangaro is an emotional feeling driven by empathy that is integrated in all that we do, see, feel and hear.
Faith	We intentionally incorporate spiritual awareness in learning.
Education	We use our early childhood curriculum <i>Te Whaariki</i> to guide our processes, methodologies and approaches in retaining and transmission of our Pasifika identities, languages and cultural values.
Culture & identity	Our programme is underpinned by akono’anga Kuki Airani (the Cook Islands way). We celebrate diversity and mindful of tikanga Māori and Tangata Whenua.
Holistic Well-being	Our daily centre life will provide interconnected experiences to ensure every child receives nourishment for their body, mind and spirit.
